

Pallottine Mission Collection
November 10/11, 2018

"The love of Christ urges us on"
(St. Vincent Pallotti)

For the past several years our parish has held a yearly collection to assist Pallottine Missions in other countries. These Missions are under the care of the Pallottine Fathers and Pallottine Sisters. Father Irek (*also a Pallottine Father*) once again ask for your support to assist his confreres.

St. Ambrose Parishioners have, in the past 8 years, generously donated to the Pallottine missionaries in Ukraine; Congo, Africa; Ivory Coast, Africa; Peru, South America; and South East Asia.

Like our founder, Saint Vincent Pallotti, we are convinced that God desires and loves every single human being. That is why we try, within our numerous tasks, to help people succeed in life. We understand our dedication as a part of that engagement which many people of good do for the sake of humanity. In order to be able to do good for others means you have to know them, understand them and share life with them.

In spirit of the Second Vatican Council, Pallottines see it as part of their mission to give everything that is human room in their hearts. Even though we are very diverse characters, we want to live as a church and as a community united in Christ and led by the Holy Spirit. We feel ourselves connected to all, especially the needy.

Pallottine spirituality pulls down boundaries. Being a Christian means to make no differences in the openness towards others, **to be all things to all people**. Saint Pallotti challenges us to respond to God's infinite love in a boundless way. Pallotti's commands us to seek both locally and globally that which unites the various world views, rather than that which divides them.

Prayer for Missions and Vocations

Heavenly Father, You who want all peoples to be saved; awaken in every believer a strong missionary desire to witness and announce Christ in all those who do not yet know Him.

Through the intercession of St. Vincent Pallotti, strengthen all missionaries in their work to evangelize, and awaken vocations in those who You've called.

O Blessed Virgin Mary, you presented the Incarnate Word to all peoples. Guide men and women to the One who enlightens every person. Through Christ our Lord. Amen

Advance Care Planning - Guest speaker

St. Ambrose Church - Tuesday, Nov 6 7:00 - 8:30 pm

Imagine you have been injured or become ill and are brought to the hospital. Do you know who will make YOUR health care decisions for you if you cannot make them for yourself? Ontario law on health care decision making is very different from other provinces. Accidents and illness can happen to any of us, and at any time you may not be able to speak for yourself. Advance Care Planning is about deciding who will speak for you and giving that person the information they need to step into your shoes if necessary.

You may already have a power of attorney for personal care but have you told your attorney what they need to know to respect and honour your wishes? Join us as we welcome Hospice Waterloo Region to talk about these important conversations. While we stumble and postpone these important conversations, Advance Care Planning is a gift you give yourself and those that you love It is never too late until it is..... **Join us November 6th in the Parish Hall 7:00 - 8:30 pm.**

In Loving Memory: A Memorial Mass

There will be a special Memorial Mass at St. Clement Church, Cambridge on Wed. Nov. 14 at 7:00 pm to remember all the deceased members of the Knights of Columbus and the Catholic Women's League especially those who have died in the past year. Everyone is welcome to attend to pray for our departed brothers and sisters and to support their bereaved loved ones. Following the Mass, light refreshments will be served in the Parish Hall.

Children's Liturgy of the Word For Sunday 9am Mass

Our parish will begin offering Children's Liturgy at the 9am Sunday Mass beginning in December.

Two parishioners have generously offered to volunteer with this program. **We would appreciate having more volunteers to assist please. High School students are also welcome, which will help with their mandatory volunteer hours.**

Please contact Barb at the parish office as soon as possible for information on how you can help! Thank you

Book of Remembrance

During the month of November parishioners are invited to write the names of their deceased loved ones in our Book of Remembrance, located in front of the statue of Our Lady. Those listed will be remembered in our Masses during the month of November.

Hamilton Diocese Capital Campaign

Over the next 2½ years, the Diocese of Hamilton will be conducting the One Heart, One Soul Capital Campaign to raise money for every Parish in the Diocese and for shared ministries. Answers to Frequently Asked Questions will appear in Parish bulletins regularly. A compilation of all questions that have been published will be available throughout the campaign at oneheartonesoul.ca

What is a capital campaign?

A capital campaign is an effort to raise money in a fairly short time (three to five years) to pay for a significant project or build up an endowment or heritage fund for future use. For a Catholic Diocese or Parish, this refers to gifts and pledges over and above a parishioner's regular giving to the Sunday collection. Parishioners who make pledges to the Diocese of Hamilton's campaign will have three years to fulfill their commitment.

Who will be asked to give?

Over the course of the campaign, every parishioner in every Parish in the Diocese will be asked to make a sacrificial gift.

When will the campaign take place?

Campaign preparations are ongoing, and the active campaign will take place in four "waves," beginning with a pilot wave that will begin in February 2019. The campaign will conclude when the last wave finishes in early 2021.

Why do the campaign in waves instead of all at once?

With nearly 120 parishes in the Diocese, it will be more effective to break up the campaign into smaller pieces over time, to give each Parish as much support and direction as possible from the Diocese and the Parishes' consultant, the Steier Group. It also provides options as parishes are assigned to waves. For some Parishes, conducting the campaign in an early wave will allow them to get started on needed projects. Other Parishes will need more time to weigh what projects need to be a priority and to prepare for the campaign.
